

KIDS SAFETY ZONE COLORING CARTOON

Buckleupallofus "Cross Your ❤ Month!"

Buckleupallofus Child Passenger Safety Mascot is very well known and extremely popular with kids and families not only here across the state of Rhode Island and New England for over the past twenty-years as a creative educational and awareness cartoon character; Bucky, (Kids nickname for him), has also become recognized, with increasing demands for usages, across the USA too. Bucky appears at classic car and truck shows, community events, parades, live radio broadcasts, festivals, cruise nights, race tracks, dragways and many charity fundraising events throughout the entire year as a giant balloon attraction with tens-of-thousands of coloring posters and fridge magnets passed out to kids and families for free everywhere. Bucky's "Cross

Your ❤ Month!" Campaign takes place every February with an emphasis and strong community outreach regarding child passenger and family seatbelt safety during the week of Valentine's Day. This year; February, 12th thru 18th, 2023. The campaign slogan; "Cross Your Heart With Your Seatbelt...Somebody Loves You!" fits very well with this holiday theme and hopes to become established nationwide with media groups, police departments, fire departments and child safety advocates by this time next year passing out related materials to children in every state at schools, daycares and libraries in an effort to help keep them safer while riding

in vehicles. Bucky's brand new child passenger safety fridge magnets now available at www.buckleupallofus.us with a variety of Free Coloring Cartoons for kids and families worldwide. "Cross Your ❤ With Your Seatbelt!"
